

- Evaluation of EASY Pan for Water Use on Pecans. 2004. Georgia Agricultural Commodity Commission for Pecans. Co-PI. \$3,000.
- Agricultural Water: Potential Use & Management Program in Georgia. 2003. Georgia Department of Natural Resources. One of 5 principal investigators. \$289,000.
- Automated Monitoring of Agricultural Water Use in the Lower Flint River Basin. 2003. Georgia Department of Natural Resources. One of 5 principal investigators. \$280,000.
- Irrigation and Corn Production under Water Conservation Measures. 2003. Georgia Corn Commodity Commission. One of two co-investigators. \$10,000.
- Sprinkler Package Selection for Center Pivots in Georgia. 2003. Georgia Department of Energy. One of 6 co-investigators. \$65,000.
- Efficient Irrigation For Peanut and Peanut-based Rotations. 2003. National Peanut Board. One of 8 co-investigators. \$160,000.
- Status of Irrigation Water Use on Pecans. 2003. Georgia Agricultural Commodity Commission for Pecans. One of 2 co-investigators. \$14,000.
- Planning For an Irrigation System. 2003. Revision of Chapter 3 of National Irrigation Handbook. Principal investigator. \$33,000.
- Agricultural Water Use - Innovative Tools for Water Conservation. 2003. CSREES. 1 of 4 principal investigators. \$272,117.
- Agricultural Water: Potential Use & Management Program in Georgia. 2002. Georgia Department of Natural Resources. One of 5 principal investigators. \$289,000.
- Automated Monitoring of Agricultural Water Use in the Lower Flint River Basin. 2002. Georgia Department of Natural Resources. One of 5 principal investigators. \$280,000.
- Irrigation and Corn Production under Water Conservation Measures. 2002. Georgia Corn Commodity Commission. One of two co-investigators. \$19,000.
- Sprinkler Package Selection for Center Pivots in Georgia. 2002. Georgia Department of Energy. One of 6 co-investigators. \$65,000.
- Agricultural Water: Potential Use & Management Program in Georgia. 2001. Georgia Department of Natural Resources. One of 5 principal investigators. \$289,000.
- Automated Monitoring of Agricultural Water Use in the Lower Flint River Basin. 2001. Georgia Department of Natural Resources. One of 5 principal investigators. \$280,000.
- Irrigation and Corn Production under Water Conservation Measures. 2001. Georgia Corn Commodity Commission. One of two co-investigators. \$19,000.
- Sprinkler Package Selection for Center Pivots in Georgia. 2001. Georgia Department of Energy. One of 6 co-investigators. \$65,000.
- Computer Software for Improving Uniformity Evaluation of Center Pivots. 2001. Cooperative Extension Service Incentive Grant. Principal investigator. \$7,000.
- Agricultural Water: Potential Use & Management Program in Georgia. 2000. Georgia Department of Natural Resources. One of 5 principal investigators. \$289,000.
- Automated Monitoring of Agricultural Water Use in the Lower Flint River Basin. 2000. Georgia Department of Natural Resources. One of 5 principal investigators. \$280,000.
- Irrigation and Corn Production under Water Conservation Measures. 2000. Georgia Corn Commodity Commission. One of two principal investigators. \$20,000.
- Sprinkler Package Selection for Center Pivots in Georgia. 2000. Georgia Department of Energy. One of 6 principal investigators. \$65,000.
- Computer Software for Improving Uniformity Evaluation of Center Pivots. 2000. Cooperative Extension Service Incentive Grant. Principal investigator. \$7,000.
- Agricultural Water: Potential Use & Management Program in Georgia. 1999. Georgia Department of Natural Resources. One of 5 principal investigators. \$289,000.
- Agricultural Water Use: Projecting Regional Irrigation Management in the Southeast. 1999. Cooperative States Research, Education, and Extension Service (CSREES). One of 5 principal investigators. \$280,000.
- Irrigation and Corn Production Under Water Conservation Measures. 1999. Georgia Corn Commodity Commission. One of two principal investigators. \$19,000.
- Automated Monitoring of Agricultural Water Use in the Upper Floridan Aquifer. 1999. Georgia Department Of Natural Resources. One of 5 principal investigators. \$294,502.
